

How can I participate in the Online Open Innovation Booster Process?

Access to the Ideation Platform: Do you have an innovation idea or a pressing need for which you would like to approach a qualified partner? On the Ideation Platform you will be seen by potential partners, customers, research institutes, suppliers or start-ups.

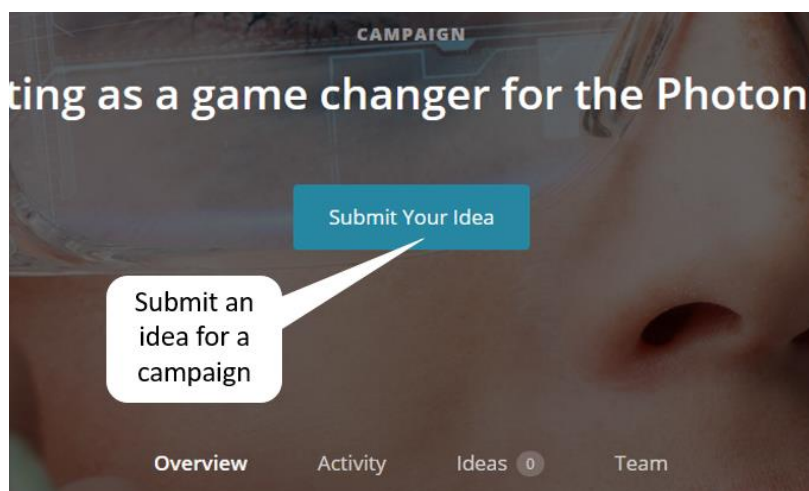

Here's how to get started: Click on [these links here](#)

OWNERS

Select a running campaign to enter your contribution

Fill in all the text fields and send us your idea or concept.

Thank you and have success !

TITLE *

 200
